Breakout Sessions

Continuing the Conversation

Looking to dig deeper into what Tod Bolsinger presented? Want to converse with others about ideas that are percolating? Want to connect with others in the presbytery about ministry and more? This is the breakout session for you. Facilitated by **Rev. Claire Schlegel**, Co-Chair of the Riverside Presbytery PIM Committee and Co-Pastor at Magnolia Presbyterian Church.

Discerning God's Presence and Presents

How do we learn to listen to God in order to learn how God is leading us as disciples of Jesus through the purpose and passion of the Holy Spirit? **Rev. Timm High**, Presbytery Leader for Mission/Vision and Stated Clerk of Riverside Presbytery, will present a process and tools for discerning God's will.

Social Media for Churches

What's a tweet? How do we get a facebook page? How can we leverage social media to engage our community? **Marilyn Kraft**, the Communications Specialist for Riverside Presbytery, will explain the different social media platforms and best practices to use social media for churches.

Safe and Secure

Too often, discussions of risk management are focused on technical aspects (use this checklist; do this, don't do that; etc.). **Charlie Cutler**, from Church West Insurance, will present real insurance claim examples and provide an adaptive framework for congregational leadership decisions.

Elder/Deacon Training

Elders and Deacons have different but equally important roles in the life of a PCUSA congregation and they work together to strengthen the church through leadership, vision, strategy and supportive care of its members. Learn a brief history of PUCSA and the Confessions that we adhere to, and the vital role of leadership in a PCUSA congregation. -**Rev. Erin Thomas.**

Clerk of Session Training

Come and find out the role and responsibility of Clerk of Session. Tips on minutes, record keeping, managing minute books, membership, congregational meetings and Book of Order sections that apply to your role. Clerks play a vital part in the historical records of a church and this will help you be effective and efficient this role. - **Don Reierson**
