

## **Report of the Committee on Nominations to the Presbytery Assembly, September 12, 2020**

**Ralph Mueller, Chair**

### **For Action**

The Committee nominates the following persons:

- Sally Willis-Watkins (TE) to the Healthy Pastors and Congregations Commission, class of 2023
- Susan Skoglund (RE) to the Personnel Committee, class of 2023

### **For Information**

The committee had hoped to nominate a **Vice-Moderator** of the Presbytery Assembly but has received only negative responses. Given our recent history, we would recommend nominating a Female Ruling Elder.

Property, Finance, Investment and Funds Development Committee has need of two additional members. Of particular interest, a Ruling Elder with experience in property maintenance and management.

Committee on Preparation for Ministry has need for an additional person or two, with preference for a Ruling Elder with experience as Clerk of Session.

Committee on Representation has need for one or two additional committee members.

We will also need to elect two Synod Commissioners (RE & TE) to replace two commissioners whose terms expire following the December, 2020 Synod Assembly.
