

PREAMBLE

The Church Leadership Connection System has been revised with new forms and user friendly changes. The new Personal Information Form affirms our theology that honors "openness to the sovereign activity of God in the Church, to a more radical obedience to Christ, and to a more joyous celebration in worship and work" (F.1.0404).

Users will first notice the following changes to the system:

- Church Information Forms (CIFs) are now called Ministry Information Forms
- The removal of preference language such as community type and church size on PIFs
- Call seekers must indicate on forms whether they are "actively seeking" a call or "not actively seeking, but open to a call."
- The inclusion of additional position types in the various organizations of the church, seminaries, and partner institutions.
- New Leadership Competencies that have replaced the skills on the old forms
- Advance technological features that allow the linking of sermons, lesson plans, websites, blogs, articles and other resources that might help search committees to know more about a person and or the calling organization.
- Expanded language fluency section to include a wide variety of languages of new immigrant communities
- New narrative questions that solicit more outcome responses, which demonstrates a person's leadership practices or an organization's leadership needs.
- A more user friendly online format that includes pull down menus, internal formatting
 features, the ability to develop PDFs, and the ease of transferring responses from word
 processing software into online fields.

BASIC INSTRUCTIONS

We recommend that you review the instructions for completing a PIF at http://www.presbyterianmission.org/ministries/clc/enter-new-personal-information-form/ before entering your form into the system.

*The online system format may vary slightly from the printable forms, however, all data fields are the same.

Asterisks on the form note, this field must be completed.

Part I of the Personal Information Form (PIF) includes contact information, ecclesiastical status, education, and other demographics (e.g. SSN, DOB, gender, and ethnic orientation). Before you can move forward to Part II, Part I must be completed and submitted. Once you have completed Part I you will be given a User ID and Password.

In Part II, the system allows a two hour window on each page for you to input your information before the system times out, if you are unable to complete your form in the given timeframe, save your form. In order to save your data in the page you are working on, you must complete all fields on the page. To return at a later time, choose update revised PIF Part II from the menu.

APPLICATION INSTRUCTIONS

If you are a Candidate for Ordination, your presbytery preparation committee must authorize your participation in CLC by attesting that you have been given permission to negotiate for service.

If you are a teaching elder, your presbytery Stated Clerk must authorize your participation by attesting to your standing.

After you submit your PIF online, the CLC system will generate an email message to the appropriate individuals asking them to login and attest your form. Once all approvals have been received, your PIF will be ready for matching and referral.

To expedite the processing of your form, contact your Stated Clerk or presbytery preparation for ministry contact person to inform them that you have submitted a PIF for their attestation.

"Sexual Misconduct is the comprehensive term used in this policy and its procedures to include: 1) Child sexual abuse, as defined above [refers to Policy]; 2) Sexual harassment, as defined above [refers to Policy]; 3) Rape or sexual contact by force, threat, or intimidation; 4) Sexual conduct (such as offensive, obscene or suggestive language or behavior, unacceptable visual contact, unwelcome touching or fondling) that is injurious to the physical or emotional health of another; 5) Sexual Malfeasance defined as sexual conduct within a ministerial (e.g. clergy with a member of the congregation) or professional relationship (e.g. counselor with a client, lay employee with a church member, presbytery executive with a committee member who may be a layperson, a minister, or an elder). Sexual conduct includes unwelcome sexual advances, request for sexual favors, and verbal or physical conduct of a sexual nature.
