

Personnel Committee Report to the Presbytery Assembly September 8, 2018
Lee Ireland – Jeff Mague, Co-chair

For Information

1. The committee discussed if the marriage of the Presbytery Leader for Mission & Vision/Stated Clerk to the Minute Clerk created a conflict of interest detrimental to the performance of either position or the mission of the Presbytery. Because the Minute Clerk is accountable to the Presbytery through the Personnel Committee, and to the Stated Clerk for minutes preparation purposes, and the performance of her duties not include any decision making for the Presbytery, we found no conflict of interest.
