**Records Review & Assistance Team Report to Presbytery**

Since the last report to the Presbytery, the Records Review & Assistance Team conducted a General Administrative Review as required by G-3.0108a on April 21, 2018. This was in the form of session minutes and register reviews, as well as review of other records and documents. Although some exceptions were noted, proceedings of each session were found to be effectively in accordance with the Constitution. The churches participating were Grace PC Temecula, Lake Arrowhead PC, Magnolia PC (May 3) and Westminster PC.
